Learning To love Again

Relationship Coaching

The God Edition

What is HELP Network?

Help Network is the umbrella organization for Personal and Business Coaching. It was started by Cheryl Outram and is a registered entity to offer solutions for individuals, businesses and families. The Cher Movement is the arm of the network which is focused on Relationship Building.

“And above all these put on love, which binds everything together in perfect harmony” Colossians 3:14.

The Cher Movement is a Relationship Coaching organisation for the entire family. It is centered around the love of God and teaches bible based principles for singles and couples. It teaches individuals how to enjoy everyday life and couples how to love each other based on Christ’s example of His love for His church. Jesus Christ is the typology for the husband and the church represents the bride. The movement focuses primarily on the family, and equips each member with the knowledge, wisdom and skills to be a faithful servant of God first, and then servants of each other.

OUR VISION

Couples must be assisted, equipped and empowered to achieve oneness, not just togetherness. Our vision is to be the leading christian, family-oriented organisation in relationship coaching.

Learning to Love Again

Many of us have been in love and it didn't turn out the way we envisioned. Learning to love again is for the individual and couple who desires to do marriage God's way. Learning to Love Again must be anchored in the principles in the word of God. Worship creates the atmosphere, fasting provides the discipline and prayer gives the clarity.

We invite you to go deeper in Prayer, Worship, Bible Study and Fasting to install your Next Level Love.
